**Title:** Transportation At 2008 Reunion

**Text of Motion:**

I move that we authorize the reunion coordinator to provide shuttle vans to run between the Hope Hotel and the National Museum of the US Air Force on both 30 Sep and 1 Oct 2008. They shall be modest vehicles with a seating capacity in the 10 - 20 person range and shall run from 8:30 AM until 5 PM each day. Further, the reunion coordinator has no responsibility to try to cover the cost of this transportation in the reunion fee schedule. Any excess cost will be paid for out of Association funds.

**Rationale or explanation:**

One of the primary purposes of our reunion location is to allow members to visit the National Museum of the US Air Force. This transportation will give everyone free access to the museum.

**Vote Result:** Carried on 20 Feb 2008
