**Subject: C-7A CARIBOU ASSOCIATION 2020 REUNION**

Considering the following factors:

- a. Current data on the spread of the Coronavirus in the U.S. and around the world
- b. Florida Governor Ron DeSantis' declaration raising the Division of Emergency Management to Emergency Level II
- c. The recommendation from Dr. Anthony Fauci, the head of the National Institute of Allergy and Infectious Diseases and member of the National Task Force on COVID-2019 that the elderly and those with underlying medical issues should immediately suspend all travel plans, warning that they could have an acute reaction if exposed to the virus
- d. Ages (65 to 90+ years) and medical conditions of our membership
- e. The number of visitors from around the world who will come to the Orlando area in the next seven months

The Board of Directors of the C-7A Caribou Association have unanimously approved a motion to cancel our 2020 reunion in Orlando, FL. Therefore, we must reluctantly withdraw from the contract with the Ramada Gateway, dated February 18, 2019 and signed on March 9, 2019.

The Association might be able to conduct a reunion at your property in the near future when it is safe for our membership to be in the Central Florida area and we hope that we would be welcome at your property.

Respectfully,

Peter A. Bird  
Chairman of the Board
