**Title:** Authorization for an \$800 subsidy for Reunion 2008

**Text of Motion:**

I move that the Board subsidize the museum fee associated with the 2008 reunion in the amount of \$800 from on-hand assets and also commit the excess of memorabilia payments at the reunion over the corresponding costs to the additional busing from the Hope Hotel to the NMUSAF, as discussed in previous messages among the members of the Board.

**Rationale or explanation:**

The National Museum of the USAF charges \$1600 above and beyond the cost of the meal to have a banquet on the museum floor. Since all have agreed that this will be a perfect venue for our 2008 Reunion Banquet, it seems reasonable to offset some of the cost that would otherwise have to be included as part of the registration fee.

**Vote Result:** Carried on 7 May 2008
