Title: Memorial Bench at Dover AFB

Text of Motion:

I move that the Board authorize the expenditure of \$3850 for the construction, shipping, and installation of a memorial bench at the Air Mobility Command Museum at Dover AFB, DE

Rationale or explanation:

Expenditures in excess of \$500 require Board approval

Vote Result: Carried 1 June 2010

20100527 bench for AMC museum

Pat:

I've gotten a hold of a Memorial Company that will set it for me at the Museum in Dover, and they are going to charge me \$350.00 to receive it and set it, as we'll need a contact at the Museum for them. the cost to duplicate it would be the same as before \$ 3500.00 includes the laser etching and wording as before and I think we still have your tax id number, so the only additional would be the \$350.00 for a total of \$3850.00.

let me know if you need anything else.
Larry

Subject: C-7A memorial bench

Larry,

Would you please put together and send me a proposal to build, deliver, and install another memorial bench like the ones you built for us for the National Museum of the USAF and the Museum of Aviation at Robins AFB, GA. This bench would be installed at the Air Mobility Command Museum in Dover, Delaware.

Thanks for your attention,

Pat Hanavan
