Motion 20070115

Title: 2008 Reunion Site

Proposed by: Nevins

Seconded by: Cunliffe

Text of the motion: I move that the 2008 C7A Caribou Association Reunion be held in Dayton, Ohio and that the Association formally dedicate the C7A Memorial Bench at the National Museum of the United States Air Force at this reunion.

Rationale or explanation: Selected site because the USAF museum dedication of the memorial bench will ready in 2008 so we will have our reunion there too.
