Motion 20070521

Title: Purchase 500 Reunion Nametag holders

Text of the motion: Rather than just buy badges that will only be used one time we would like to purchase 500 of the badges that can be reused at each annual reunion. We believe that members will return the badges if asked to leave them with us for use at future reunions. I expect that an invoice in the amount of \$855.00 will be sent to me for badges. Pat has added the cost for the badges into the cost breakout for the reunion and I would like to pay the invoice for the badges from our reunion account as soon as I receive the invoice. If a motion is required I would like to make the motion that we purchase the 500 reusable badges for the expected invoice amount of \$855 plus or minus any minor amount changes. At this time I have received and deposited six reunion registration receipts for 10 persons so there is sufficient funds in the reunion account for the payment.

Rationale or explanation: Since this is a discretionary expenditure over \$500, I believe the motion is required.

Failed because next year's reunion nametag holders are being supplied by the CVB and since many of the past reunion's nametags were supplied by CVBs and the same is anticipated in the future, plus we have tried this approach of asking for nametag holders to be turned in and the result wasn't successful.
